About the Instructor

Bellalorraine Carey-Hicks graduated from Worcester State University with a dual degree in Theatre and English. She has experience in acting, design, stage management, and directing. She also served on the regional Student Advisory Board as a founding member in support of equity, accessibility, and inclusivity within regional educational theatre. She has participated in applied theatre workshops in partnership with the Worcester Public Transitions Program, as well as in the design and stagecraft disciplines at the Hanover Theater Conservatory's youth programming.
