Dear Private Instruction Parents and Adult Students:

Thank you for choosing Pakachoag as your school to chase and realize your dreams in music. As artistry, creativity, and imagination are long-term endeavors, it is our hope that you will continue your musical journey with us in the fall.

Each year, we remind our current students of the exclusive benefits of pre-registration which include **securing a space for lessons in the fall** and **retaining priority in scheduling preference**. Preregistration this year opens on Friday, May 26th. The deadline to guarantee these benefits is Sunday, June 25th as registration opens for new students the following day.

**A submitted online registration form and deposit are both required to secure pre-registration.** If you are unable to make the deposit due to financial hardship, we encourage you to contact the office. We strongly recommend completing the process even if you are unsure of your schedule needs until late August or early September, with this uncertainty noted on your form.

Please contact Kristjon, Director of Programs & Community Engagement, if you have any concerns about teacher match for next year or, as a courtesy, if you plan to not re-enroll: [kristjon@pakmusic.org](mailto:kristjon@pakmusic.org).

**Tuition for next year will increase by \$1 per 30-minute lesson** and a similar equivalent amount for longer lessons. We are providing raises to our world-class teachers while also managing inflationary pressures.

We will continue to provide several discount options, including the pay in full by September 30 discount. Discounts and payment schedules accompany this letter. This information is posted on the *Current Students > Private Lessons* page of our website.

Please watch your email for Fall updates and respond promptly to possible scheduling questions. It takes most of the summer to assemble schedules. Times are assigned with preference given to those who pre-register while taking into consideration any preferences noted on pre-registration forms. Final assignments are usually confirmed the last two weeks of August.

We hope to see you this summer for lessons. And if not summer, then in September. Thanks again for being part of our Pakachoag family!

Sincerely,

Kristjon Imperio, Director of Programs & Community Engagement
