

## Summer 2023 Music & Movement with Pakachoag

Updated February 24, 2023

*These policies and our operations are subject to any requirements of the partner organizations who provide space for our classes, as well as state and national health recommendations related to COVID-19, vaccinations, and COVID-19 variants.*

### Health & Safety Protocols

Our Summer 2023 Music & Movement Samplers are held in-person and indoors. We ask that all adults and children wash or sanitize their hands before class for at least 20 seconds. (Sing the “Hello Song” to all the members of your family: that’ll be at least 20 seconds!) Please arrive a few minutes early to allow time for this.

- **Masking is optional.** Individuals – including students – are welcome to wear a mask, if preferred.
- **Families are encouraged to bring their own hand sanitizer, disinfecting wipes, masks, and tissues.** Teachers will not have these items available for families during class time.
- **All children must be accompanied to the bathroom.**
- **If you or your child is sick, please stay home** until you/they are fully recovered. You/They must be fever-free for at least 24 hours (without the assistance of fever-reducing medication) before returning to class.

### Make-Ups • Outdoor & Remote Transfers

While there are no make-up classes scheduled for the summer session, a make-up may be available on an alternate day of the week. Please check directly with your teacher to see if this is a possibility.

If the CDC, state/local guidelines, and/or our partnering organizations require in-person, indoor activities to cease due to COVID-19 and/or variants, classes will transfer to outdoor session (weather and/or space permitting) or remote sessions at the same day and time as scheduled in-person classes (links provided in advance). If classes are transferred to outdoors, we strongly recommend bringing a large waterproof tablecloth and/or a thick blanket to stay dry on your participation pod. *Blankets are not required for indoor classes.*

### Classroom Policies

- **No toys, food, or drinks (other than water) in the classroom.**
- **No phone calling or texting during the class period.** If necessary, take phone calls and/or texting outside of the classroom.
- **Families may bring their own props, if desired.** There will be instruments/props available if a family does not bring these on their own.
